

Fenwick Mothers' Club

Dear Fenwick Parents,

On behalf of the Fenwick Mothers' Club Executive Board, I extend a warm welcome to all Fenwick families to the 2011-2012 school year.

In November of 1931, the Mothers' Club was founded to "bring the people of Oak Park, especially the ladies, to a greater realization of the benefits, social and otherwise, centered in and about Fenwick High School." A great deal has changed in the ensuing eighty years! The Fenwick Mothers' Club has grown significantly in scope and membership with over 58 suburbs and many Chicago neighborhoods represented among the members. Today, our richly diverse Mothers' Club community is comprised of entrepreneurs, businesswomen, stay-at-home moms, doctors, lawyers, salespeople, artists, bankers, nurses, teachers, accountants, healthcare, advertising and marketing professionals to name but a few. All of these dynamic individuals come together at the monthly meetings to continue the original mission of supporting Fenwick which has now been expanded to "promote parent-school communication, facilitate parent networking, provide educational opportunities for its members and to benefit the school both financially and socially."

There are fifteen different events, committees and service projects in which members can participate. Please visit the Mothers' Club homepage on the Fenwick website to learn more about the opportunities for you to volunteer.

2011 marks the eightieth anniversary of our organization. We invite all Fenwick mothers/parents/guardians to join in our many activities, make new and lasting friendships, serve our school and the broader community and stay informed through membership in the Fenwick Mothers' Club.

I hope to meet many of you at our upcoming events and meetings. If you have any questions, please feel free to contact me at 708-771-2745 or peter.mavrogenes@att.net

With Warmest Regards,

Mary Mavrogenes

Fenwick Mothers' Club President

Eighty Years is a Great Beginning!
